

ZONE DE RETENTION – COUPES

Technical drawing of a water retention structure (Zone de rétention) with a volume of 150m³. The drawing shows a plan view of the structure, including a central area labeled "Zone de rétention Volume=150m³" and a "Surverse" (overflow) area. The structure is bounded by a red line, and the surrounding area is shaded in green. Key features include a "Portail 3m" (3m portal) and a "Fuite" (leak) area. The drawing includes various elevation points (e.g., 72.85, 73.12, 74.32) and a network of lines representing the structure's layout. A large red arrow points towards the structure, and a blue arrow points away from it. The drawing is labeled with "A", "B", and "B'" at different points.
